

100% Employee Owned

May 23, 2025

Dear Applicants,

KE&G Construction, Inc. is proud to announce the opening of our **4th Annual Scholarship Program**, available exclusively to the employees and children of KE&G employee-owners. This initiative is designed to support students pursuing higher education—whether in construction-related fields or non-construction programs.

We welcome applications from both **new and returning students** enrolled or planning to enroll in **2-year or 4-year colleges, universities, or certified training programs**. All applicants must reapply each year to be considered, and returning students will be asked to submit a current transcript.

Thanks to the generosity of our employee raffles and private donors, we are excited to continue this program. Supporting the families of our employee-owners is a key part of KE&G's mission, and helping our next generation pursue educational goals is one way we're putting that into action.

Applications will be accepted through July 18, 2025.

Please find the scholarship application form enclosed. Details of this year's program are as follows:
