

## New service provider, new possibilities

We have some great news to share. Your benefits are important.

The Employee Stock Ownership Plan (ESOP) services have been migrated to Principal®.

Principal is committed to helping you prepare financially for your future. After your online account is created, you will be able to access a variety of financial wellness resources through Principal® Milestones.

**Your ESOP account balance information is now available at [Principal.com](https://Principal.com).**

To view your most recent account balance online, you need to set up your online access. Go to [Principal.com/welcome](https://Principal.com/welcome) and select **Get Started** to create your username and password. You can also reference the Account Access handout.

After you set up your account, you'll be able to view your account details and explore the new resources and features available to you.

We're excited about this change and hope you take advantage of all the resources Principal has to offer.
